

Women Build Team Member Expectations

Welcome to Women Build! Here is what you need to know and to do as a participant:

The suggested fundraising goal is \$1,000 per 6-member team to entitle the team to one build day. Your team's goal may be larger or smaller than that. In any event, to support your team's goal, here are some steps to follow:

1. Set up your personal fundraising page. This will register you as a Women Build volunteer.
 - a. Log onto GivEffect using the following link:
<https://give.rochesterhabitat.org/ge/womenbuild2022>.
 - b. Click on your team's link at the bottom of the page and follow the prompts for setting up your individual fundraising page.
 - c. The suggested goal is \$200 to help your team reach its goal. You can always raise more!
 - d. Email family members, friends, neighbors, members of your faith community, and co-workers to ask for donations.
 - e. Check with your employer to see if they have a matching grants program or would be willing to sponsor your team.
 - f. Donations can be made online at *your fundraising page*
 - g. Donations can also be checks written to Flower City Habitat for Humanity with a notation in the memo line that says "WB, your team name, your name". Checks should be mailed to Flower City Habitat for Humanity, Women Build, 755 Culver Road, Rochester, NY 14609.
 - h. Your enthusiasm will affect the money you raise. People will want to support you if you show that you value your cause.
2. Confer with your team leader about date(s) for build days reserved for your team. If you wish to work, you will need to sign up for a build day reserved for your team. You can work more if you sign up for days indicated as All Women Welcome (AWW).
3. Visit the Women Build volunteer calendar regularly. Available build days are posted regularly and they change every few weeks. The Women Build calendar can be accessed at the following link:
<https://give.rochesterhabitat.org/charities/4693-flower-city-habitat-for-humanity/volunteer>
4. Be sure to fill out the Volunteer Health Assessment form each day that you work. You will be sent a reminder and a link to the form before your assigned day. Suggestion: copy the link into your computer so you have it readily available.
5. On the day you work:
 - a. Wear supportive, protective footwear. Sneakers and work boots are best. No sandals.
 - b. Bring your lunch
 - c. Bring water with you. If it is a hot day, bring LOTS of water.
 - d. If you have a hard hat, bring it and plan to wear it.
 - e. Bring work gloves/gardening gloves
 - f. Use sunscreen on sunny days
 - g. Arrive at the site no later than 8:45 am. Plan on working until 4:00 pm.
 - h. Habitat provides tools and hard hats but feel free to bring your own, if you wish.
6. Routinely visit the Women Build webpage to check on news and updates on our fundraising.
7. Spread the word! Once you've built for a day, you'll have plenty to share with others.

8. Take pictures on your build day to show to your supporters. Share your accomplishments and enthusiasm with all who have donated to support you. They love hearing from you.
9. If you have questions at any time, either ask your team leader or email rocwomenbuild@gmail.com
